Building Use Task Force **To be announced**

Members of the congregation interested in exploring how the church might strengthen our community and stewardship by using our building better are invited to participate in a short-term task force in this area. The goal of this group will be to discuss and research the excellent ideas generated during the Congregational Meeting in March 2008 and complete a report with recommendations to the Session by June 2009. Karl Hoffman will organize the Building Use Task Force. Please contact him at kahof@yahoo.com or 703-892-1928, if you would like to take part. Come meet and work with other members of the NYAPC community on how we use our space!
