

Dear F/Rev. Beth.

How are you? I hope you are fine. I am a girl in Chesoton primary school in class seven. I joined this program in the year 2006, when I was a young girl and on that time I was learning in PCEA academy.

I love Rev Beth because she is called like me. I thank you because you pay for me school fees, when you are coming to visit us you brought for us so many things like balls, ropes and so many things. I thank you for buying me school uniforms. What I would like is you to continue with that spirit of love.

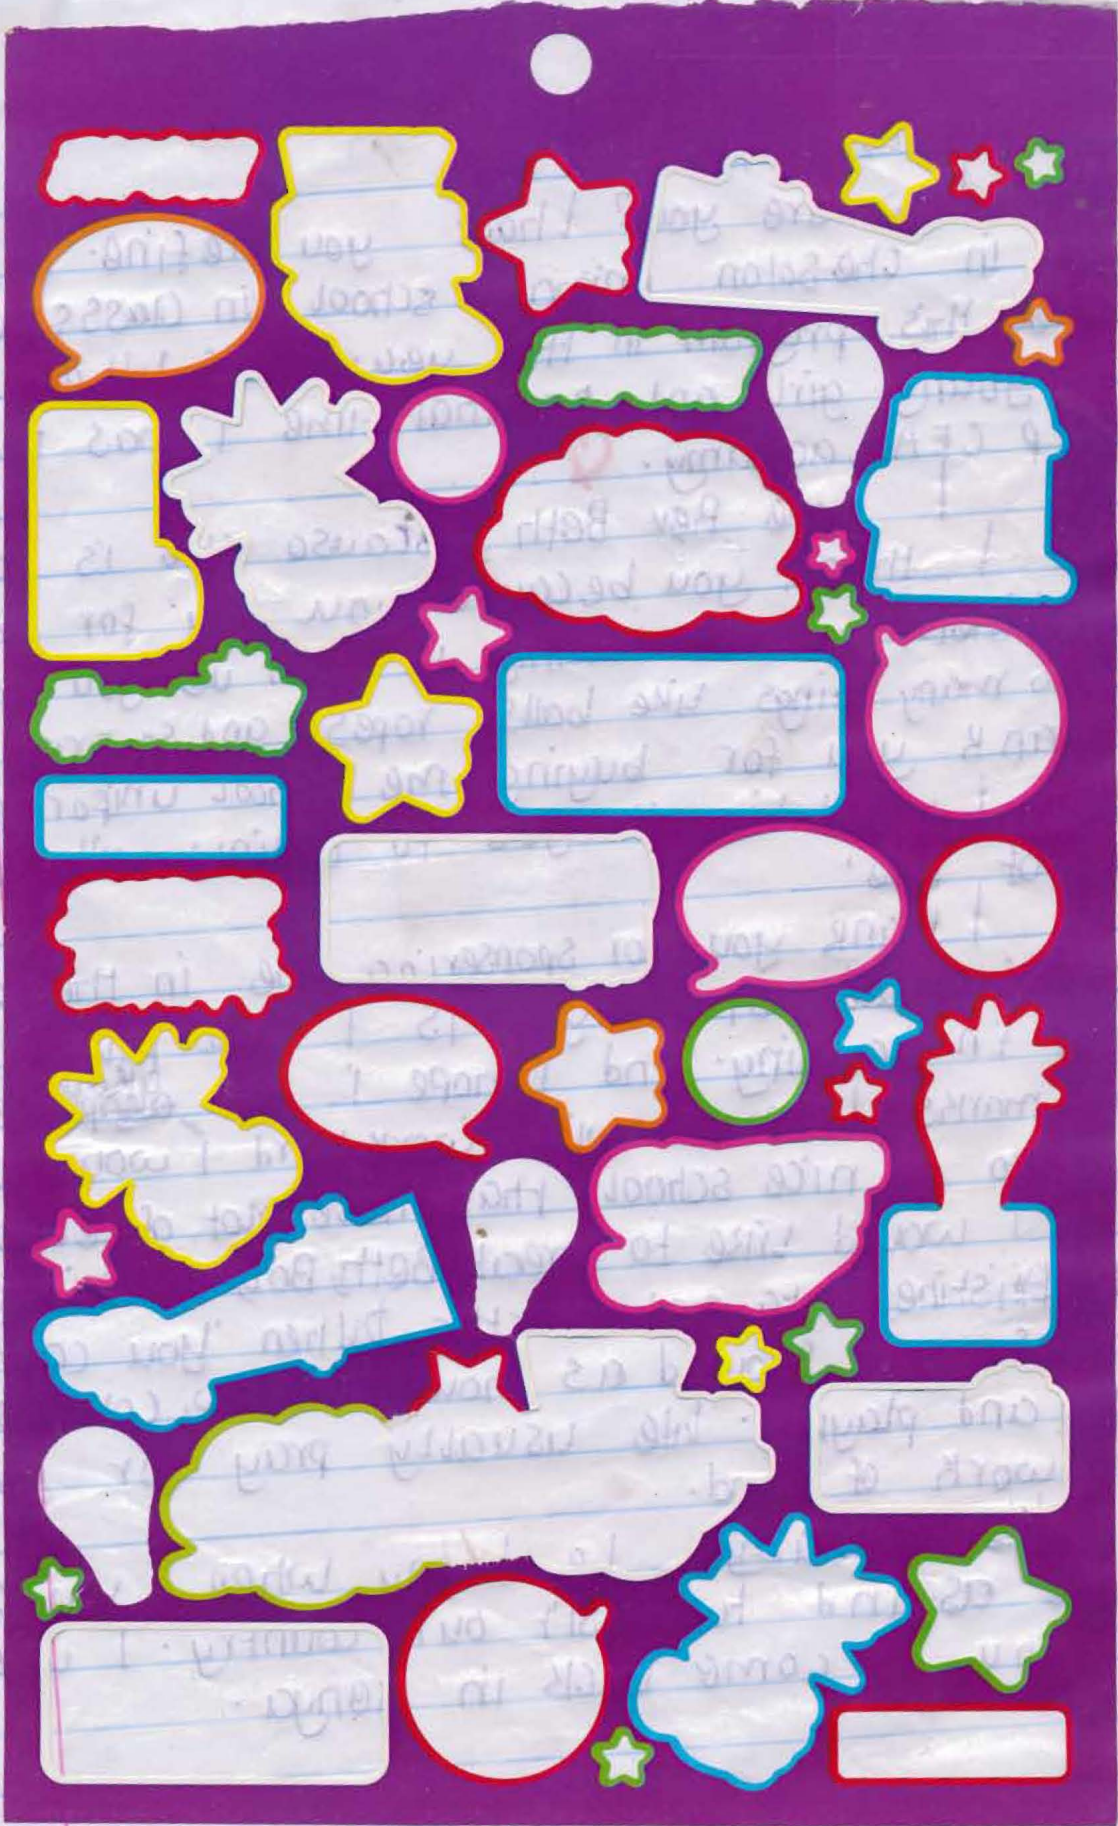

I thank you for sponsoring me in this program. What I would promise you is I will pull up my socks in learning. And I hope I am ~~able~~ ^{able} of that marks. When I will work hard I would like to go to a nice school that have a lot of learning.

I would like to greet Betty, Bob, Shamikey, Molly, Matt, Christine, Sara and Martha. When you came to visit us you showed us how to draw, colour, singing, dancing and playing. We usually pray for you for your work of hand.

We usually be happy when you come to see us and to visit our country. I would like you to come back in Kenya.

Your faithfully,
Elizabeth. wambui
