

Dear Flitz / Rev. Belth

How are you? I am hoping that you are doing fine. I am also doing fine. I am glad to have this opportunity to write this letter to you. I am a girl in Njoro Day Secondary school, I am in form one. I joined this program in 2007.

From the day I joined this program, I understand how important you have been to me. You have helped us in everything I have been wishing ~~at~~ to have in life. The project of rearing chicken have helped us in basic and secondary needs. We have no words to thank you but all I can say is, May the almighty God be with you and bless you. May he bless the work of your hands.

I hope you will come back to this country and greet us. We miss you and hope that we will meet. May God see you all through your life. Pass my greetings to the others including Shumika.

From R Lucy Nduta,
To Flitz / Rev Belth.

LOVE
