

Dear fwiertz / Rev Beth;

How are you? I hope that you are fine. because I am fine too. and I am busy studying here. I am a girl and I learn in a school called Mpro Township. I am thirteen years old. And I joined this programme in Job and I am taking this opportunity to thank you for what you have done for me. Every Saturday I come here to learn and I am working hard so that I can pass my Exam. and if I pass I would like to come in Washington and I will be happy and I am going to work hard. And I would like to come there. if I had wings to fly I would be there by now. When I grow up I would like to help many children as you people do to US. and I want to thank you for paying my school fee and may God help you so that you may live long. I want you to greet Jhamikah, matt, Bob, Christine, Martha, Molly, Habib, Sarah and many others. and may God help you where you are now.

yours
faithful
Mary Wanjiku.

I LOVE YOU
