

Bear Fitz / Rev. Beth.

Hey! I hope you are fine, it's a great pressure to have this opportunity to write to you this letter. The main aim for writing this letter is to appreciate you for the help you have offered to us. You have assisted me in everything that I needed most in life. You have been more than a friend or should I say more than a sister. I really pray and surely believe that God will reward you for the help and kindness you are showing us. I would really want to thank you for the fundraising you offered for rearing chickens, which has really helped me and my family, through them we were able to cater for our basic needs. Thank you very much and may the Lord almighty, bless the work of your hands. Since in the book of Jeremiah 29:11 it says that, for I know the plans I have for you declares the Lord, plans for prosperity and not disaster, plans to give you the future you hoped for.
