## You're Invited - Weekday Daycare- Preschool Discussion

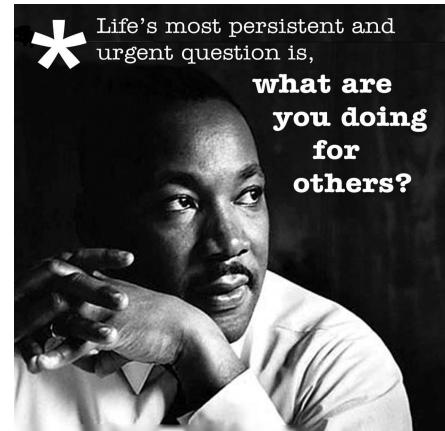

*Sunday, January 25th on Park Level after Gathering Time*

We are so excited that we have so many babies and toddlers at the church! In consideration of NYAPC's baby-boom and the many more children living in DC (or whose parents work in DC), some NYAPC members have voiced interest in utilizing our children's nursery and preschool rooms during the week, potentially for an NYAPC daycare or preschool.

If you have thoughts on how that might happen, what such an endeavor could look like, or reasons we shouldn't get entangled in such a project, we'd love to hear from you.

A brainstorming session will be held on January 25th during the Sunday School hour to allow us to begin assessing considerations in such a venture. This meeting will be on the Park Level Gathering Time Space from 10:15-10:55.

**On Sunday January 18th, a good portion of Worship, Worship Play and Gathering Time will focus on the legacy and witness of Dr. King.**

*In worship play, the children have been also been brainstorming about how to be a light to the world. These include: Helping everyone!, helping people with cancer, helping those without homes, being friends to people who need friends and homes for everyone.*
