Worship Play parents and friends - will you donate gummy fruit snacks? We are ALL OUT.

Drop off in Alice's office. THANK YOU. Your children will thank you too.

## Making Easter Baskets

Cathy Schultheis has donated some wonderful bears to the church! This year, children, youth, and adults will be invited to make an Easter basket with a bear and some other goodies for a child without stable housing. You may donate these baskets yourselves or leave for others to donate on your behalf. To make these Easter baskets great, we are looking for some additional supplies:

-Easter basket decor including limited amounts of plastic Easter eggs

-Easter or spring candy, stickers or treats (no nuts please)

- Easter or Spring themed pencils, erasers (aka school supply) that a child ages 1-14 might enjoy.

- Please drop off donations in Alice's office.
